

COVID-19 Vaccine Updates

Due to the recent change by the State of Iowa to dramatically expand eligibility criteria, most Iowans will now be eligible for vaccination. Many of your employees may be able to locate vaccines at a pharmacy or healthcare provider regardless of their employment. Due to this unexpected change, Linn County Public Health will be discontinuing the business registry.

Additional Information

We greatly value all of the work you have done to keep your employees safe and healthy over the past year. Please continue to practice these good mitigation efforts such as wearing a mask, social distancing, staying home when ill, and washing hands often.
